Venue Details

Celebrate your special day on the beautiful lawns at the home of the only President of the United States elected from the State of Indiana. The Benjamin Harrison Presidential Site is designated as a National Historic Landmark by the U.S. Department of the Interior.

Benjamin and Caroline Harrison built the home in 1874-1875. Harrison lived in the home until he died in 1901, except during his U.S. Senate and presidential years. His family continued to live in the home until 1913.

The Presidential Site offers many unique settings for your special event or wedding. Included in the rental fees are the Presidential Lawn, Rose Garden, and Welcome Center patio.

The site fees include a tour of the above listed spaces and a meeting with Presidential Site Special Events Manager to discuss your needs. It also includes use of the restroom building, five reserved parking spaces in the Presidential Site's parking lot for you and your guests, as well as vendors who may need guaranteed parking.

Please note: Lawn rentals do not include the interior of the mansion or the Welcome Center. The interior of the mansion will only be made accessible for prearranged group tours or on a case by case basis for photography sessions. The interior of the Welcome Center may be added for an additional fee.
