

Project POTUS Awards 2025

Submit your one-minute or less video entry at www.Judgify.me/ProjectPOTUS before Presidents Day for the chance to win!

There will be one winning video entry per POTUS so long as there is a video eligible for awards according to the 2025 rules and AI policy for each president. After review by the Citizen Jury, Project POTUS HQ will award the best video project determined by score for each president. A special distinction will be given to 1st-4th place winners elected by a Grand Jury as the best videos overall for the 2025 run of Project POTUS.
